Program Costs

Description	2016-2017 1st-year Cohort Cost
Tuition for full-time students (in-state)	\$0
Tuition for full-time students (out-of-state)	\$0
Tuition per credit hour for part-time students <i>(if applicable enter amount; if not applicable enter "NA")</i>	N/A
University/institution fees or costs	\$2,239.16
Additional estimated fees or costs to students (e.g. books, travel, etc.)	\$250

The minimum package for students entering 2016-2017 is a 5-year financial support package that includes an annual stipend, a fee scholarship and health insurance. The stipend for the first year is \$24,000.00 and comes in two parts: a teaching assistantship (consisting of a 10 month stipend of \$21,767.00) and summer support (\$2,233.00, available through a summer fellowship or teaching assistantship). A summer fellowship requires enrollment in at least 1 credit hour. A summer assistantship requires the student to be on campus during the summer.

The annual stipend paid to teaching assistants is considered taxable income. The fee scholarship, which covers tuition and related fees, is non-taxable and will cover a minimum of 90% of the credit hour fees for a resident and a minimum of 95% for a non-resident. This means students should be prepared to pay the remaining percentage of credit hour fees plus any mandatory or course-related fees, which amount to approximately \$1,119.58 per semester. Many of these fees provide students with free access to things such as bus transportation in town, computers across campus, IU activities, and services at the campus clinic (in addition to the healthcare plan). Based on 2015-2016 nonresident tuition rates, the fee scholarship component of our offer has an annual monetary value of approximately \$32,341.50. The support package also includes student health insurance (medical and dental) that is currently worth \$2,960.00.

Our teaching assistants work up to 20 hours per week during the academic year assisting one or more of our faculty members with their class work. Support for subsequent years is guaranteed provided you maintain a minimum GPA of 3.3 and satisfactory progress towards the degree.

Detailed information regarding tuition and fees at Indiana University can also be found at the following web site: <https://bursar.indiana.edu/tuition-fees/index.html>

The Clinical Science program also provides \$400 per year to each student for travel expenses.

Attrition

Variable	Year of First Enrollment													
	2009-2010		2010-2011		2011-2012		2012-2013		2013-2014		2014-2015		2015-2016	
	N	%	N	%	N	%	N	%	N	%	N	%	N	%
Students for whom this is the year of first enrollment (i.e. new students)	3	-	2	-	3	-	2	-	5	-	4	-	5	-
Students whose doctoral degrees were conferred on their transcripts	1	33%	0	0%	0	0%	0	0%	0	0%	0	0%	0	0%
Student still enrolled in program	2	67%	1	50%	3	100%	1	50%	4	80%	3	75%	5	100%
Students no longer enrolled for any reason other than conferral of doctoral degree	0	0%	1	50%	0	0%	1	50%	1	20%	1	25%	0	0%

Licensure

Outcome	2006 to 2016
The total number of program graduates (doctoral degrees conferred on transcript) between 2 and 10 years ago	30
The number of these graduates (between 2 and 10 years ago) who became licensed psychologists in the past 10 years	13
Licensure percentage	*43%

*Of the graduates in the 2006-2016 windows, 43% are licensed. However, many of our graduates are in research jobs where licensure is not required, so they do not apply for it. Of the students in the 06-16 windows who sought licensure, 100% were successful in obtaining it.
