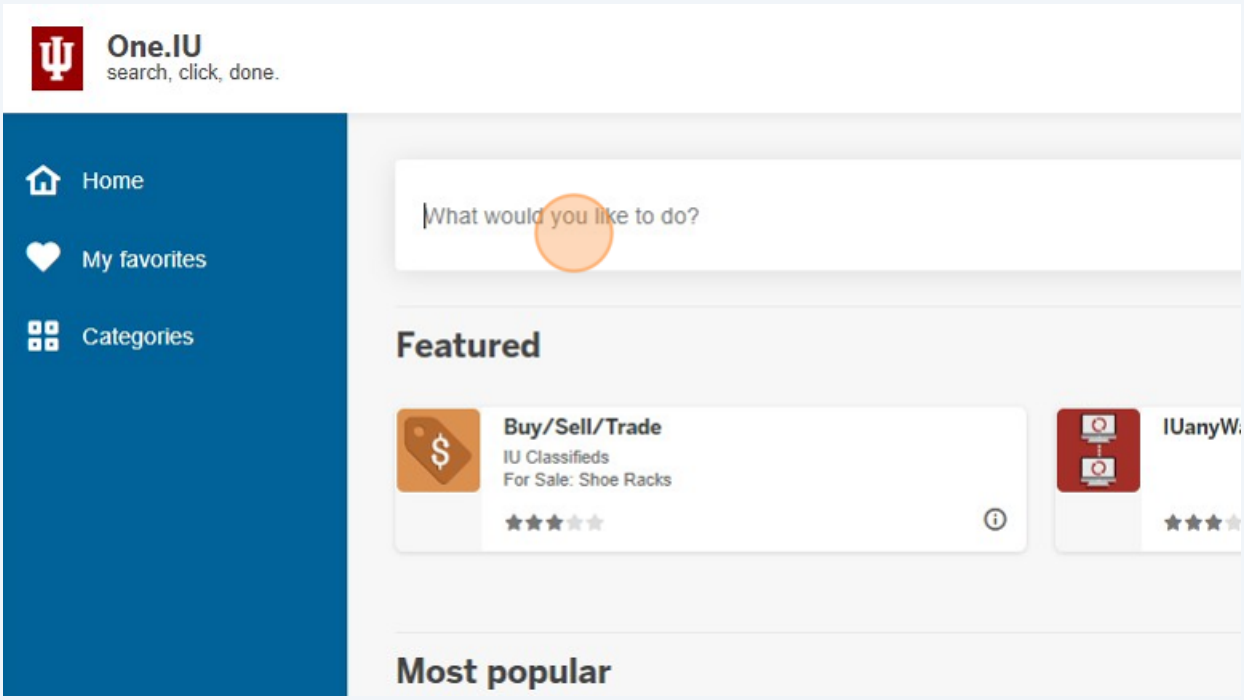
How to Apply for IU Scholarships

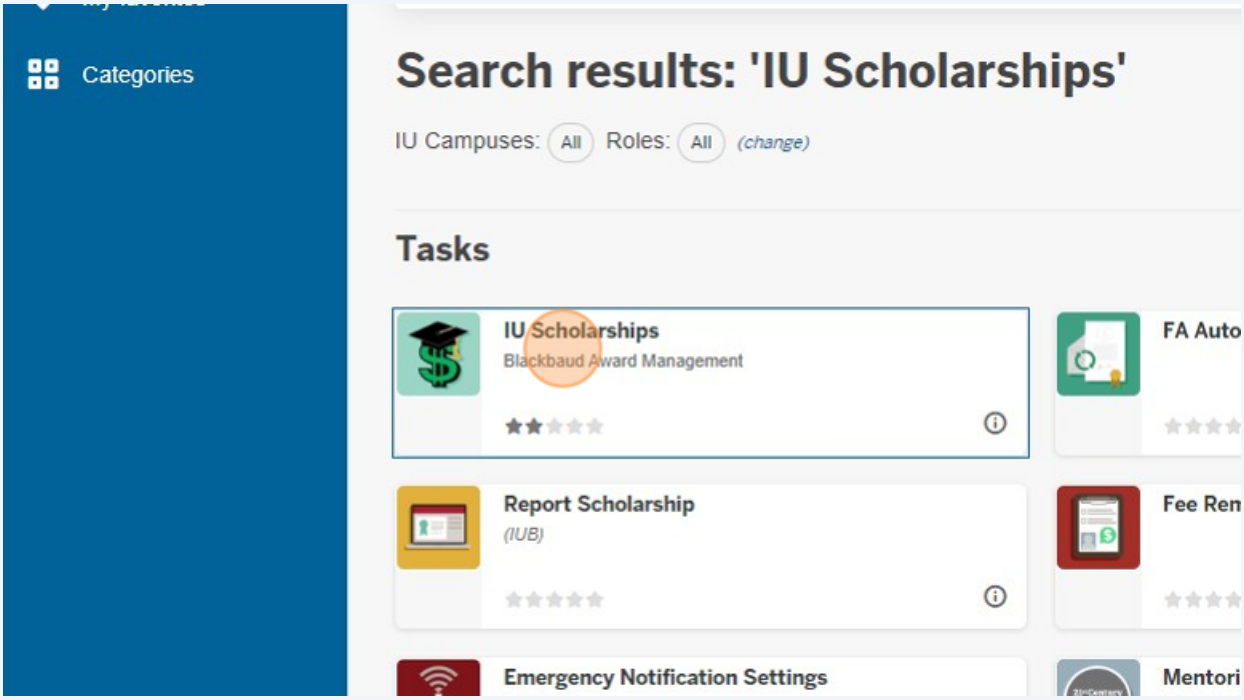
UPDATED! PLEASE READ

1 Navigate to https://one.iu.edu/

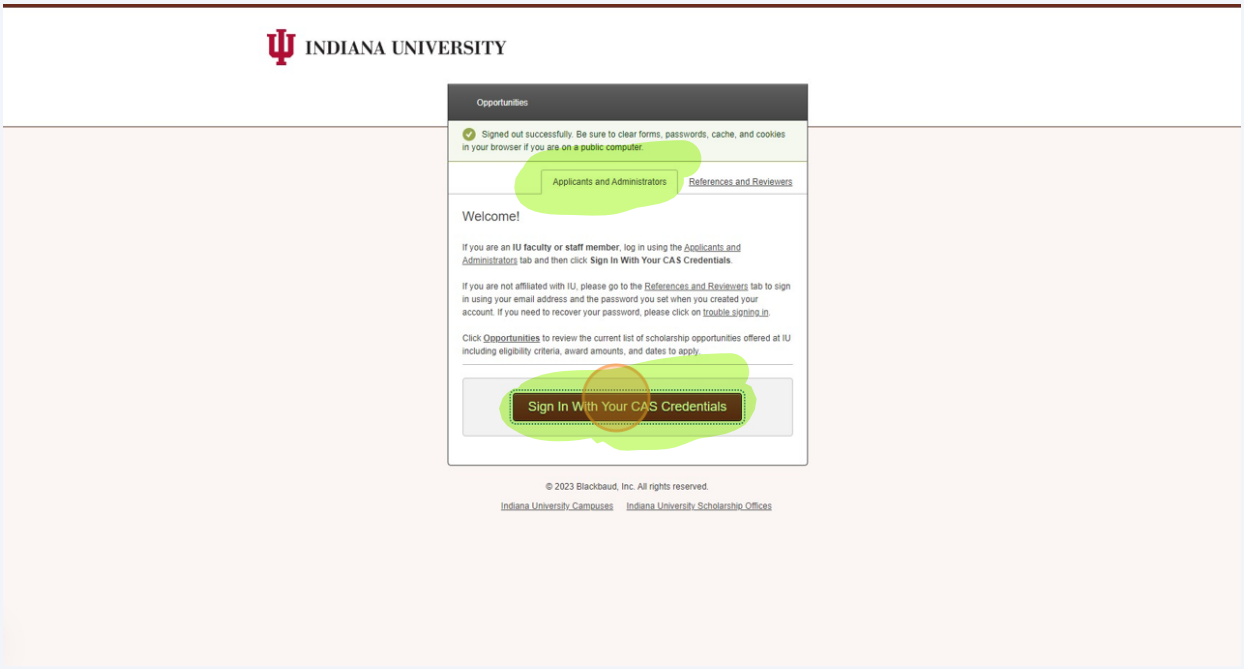
2 Search for "IU Scholarships" in the Search Bar



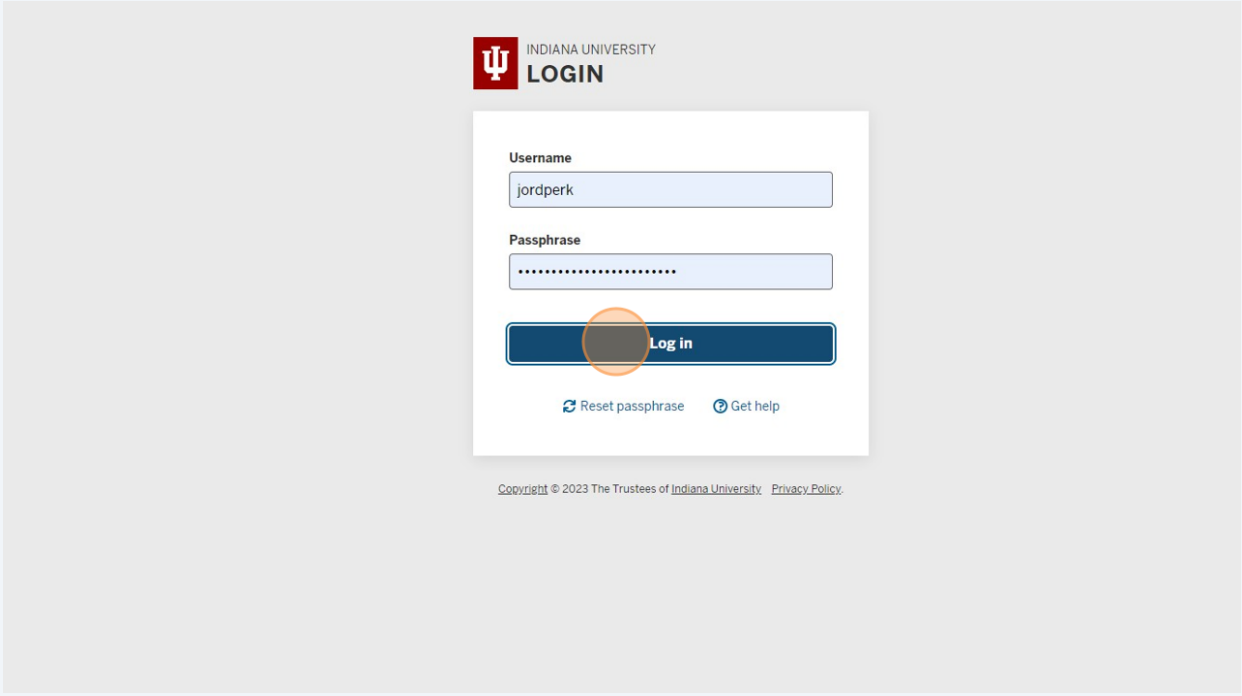
3 Select "IU Scholarships"



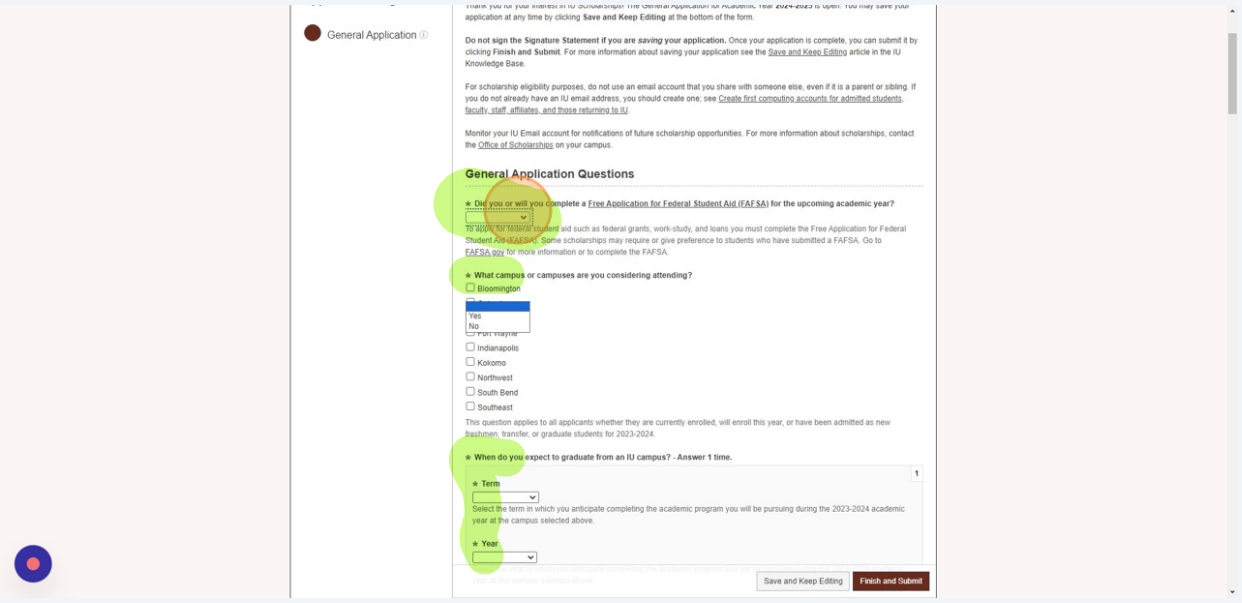
4 Click "Sign In With Your CAS Credentials"



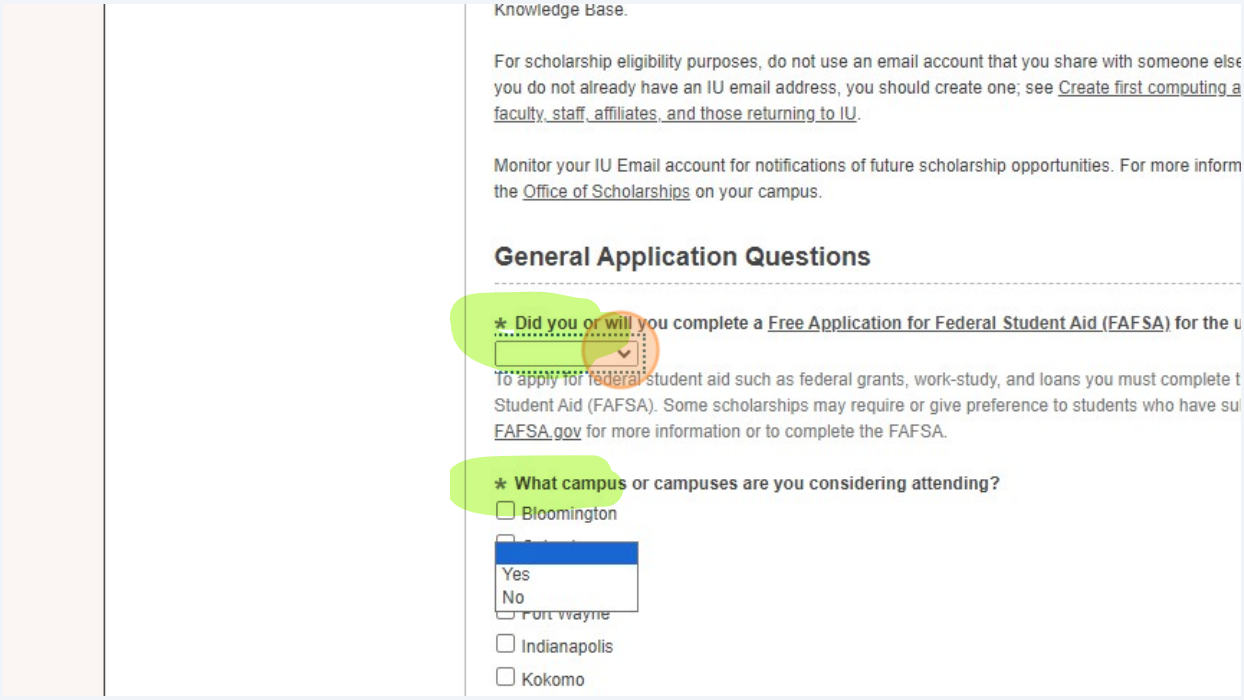
5 Enter your IU username and password to CAS Authenticate & login.



6 Begin your General Application and complete the required questions marked with an "*".

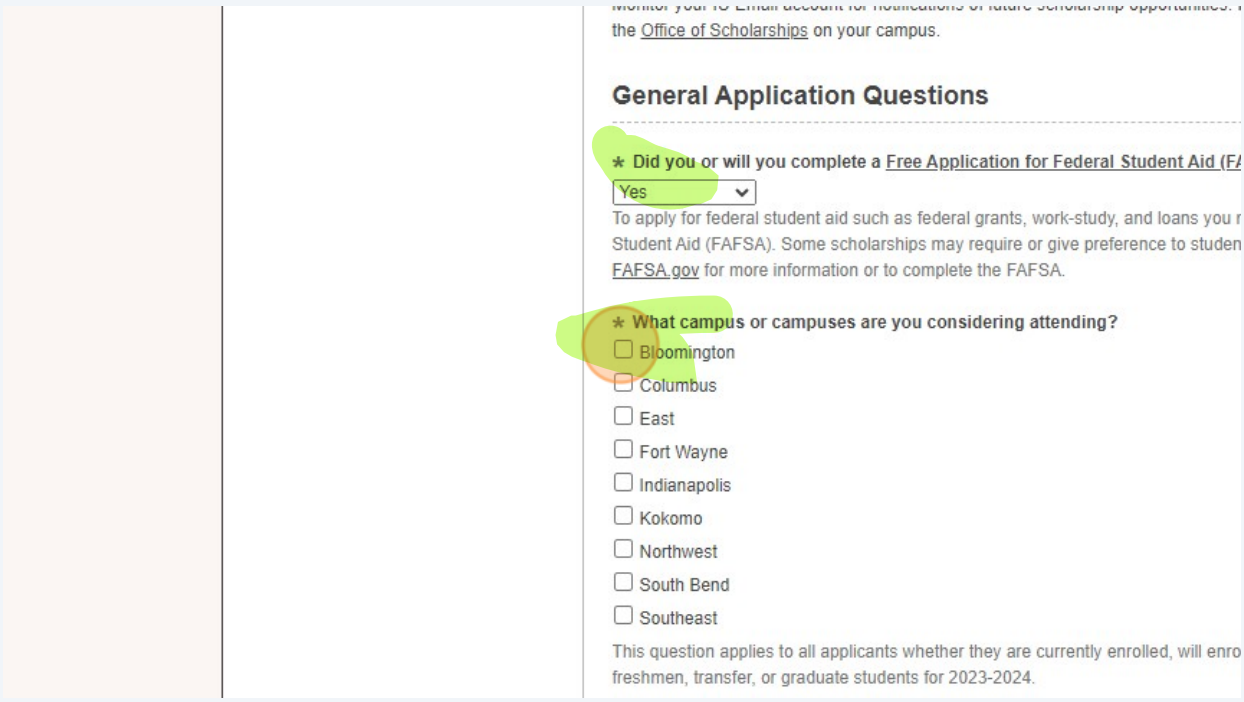


7 Question 1: Did you or will you complete the FAFSA?

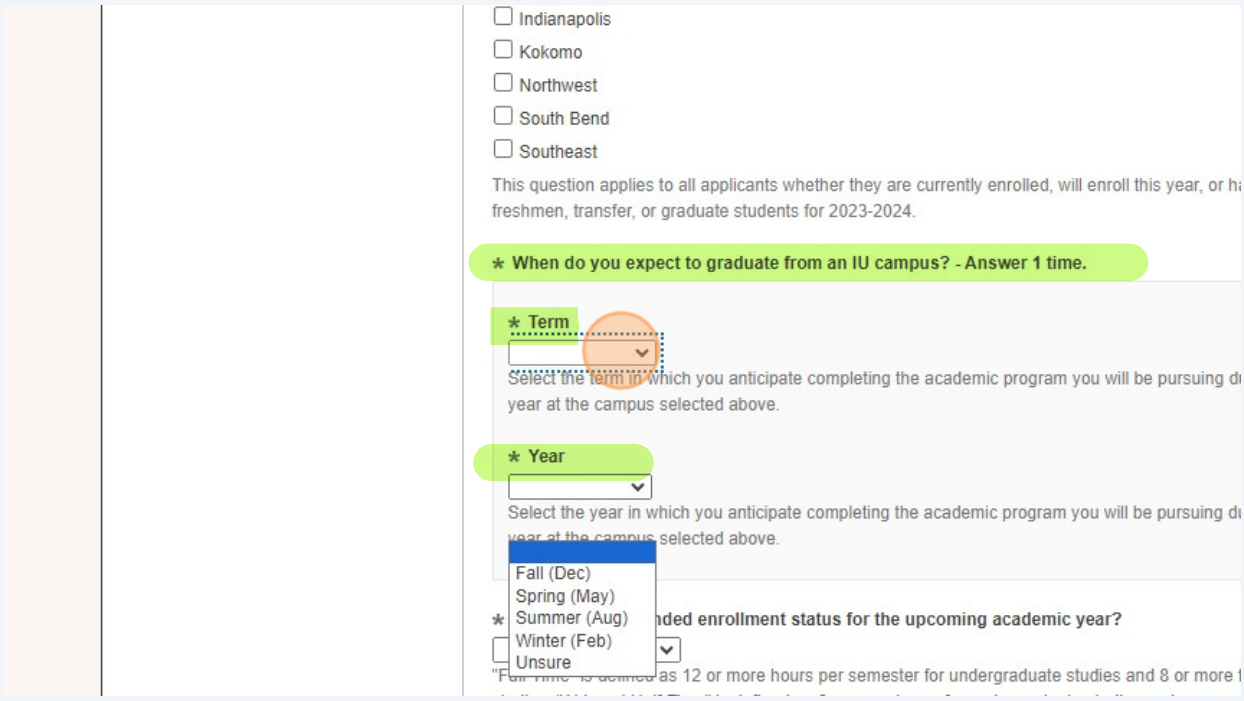


NOTE: International students will not file a FAFSA and should indicate "No"

8 Question 2: Select your current campus.

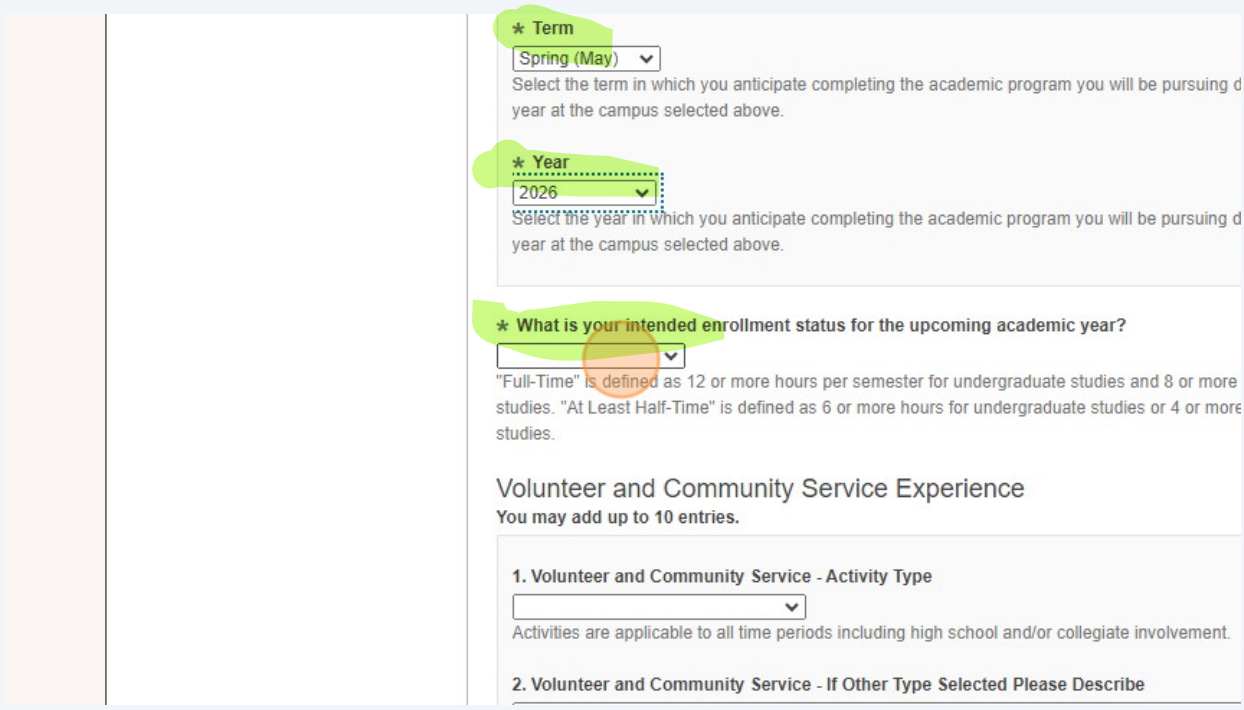


9 Question 3: When do you expect to graduate?



NOTE: This is an estimate and your best guess at when you might graduate. It's okay if this changes in the future.

10 Question 4: What is your intended enrollment status as of today?



Note: "Full Time" is defined as 12 or more hours per semester for undergraduate students and 6 or more for graduate or professional studies at IU.

"Half time" is defined as 6 or more hours for undergraduate students and 3 or more for graduate or professional studies at IU.

11 SKIP: Volunteer and Community Service Experience Section

12 SKIP: Leadership Experience

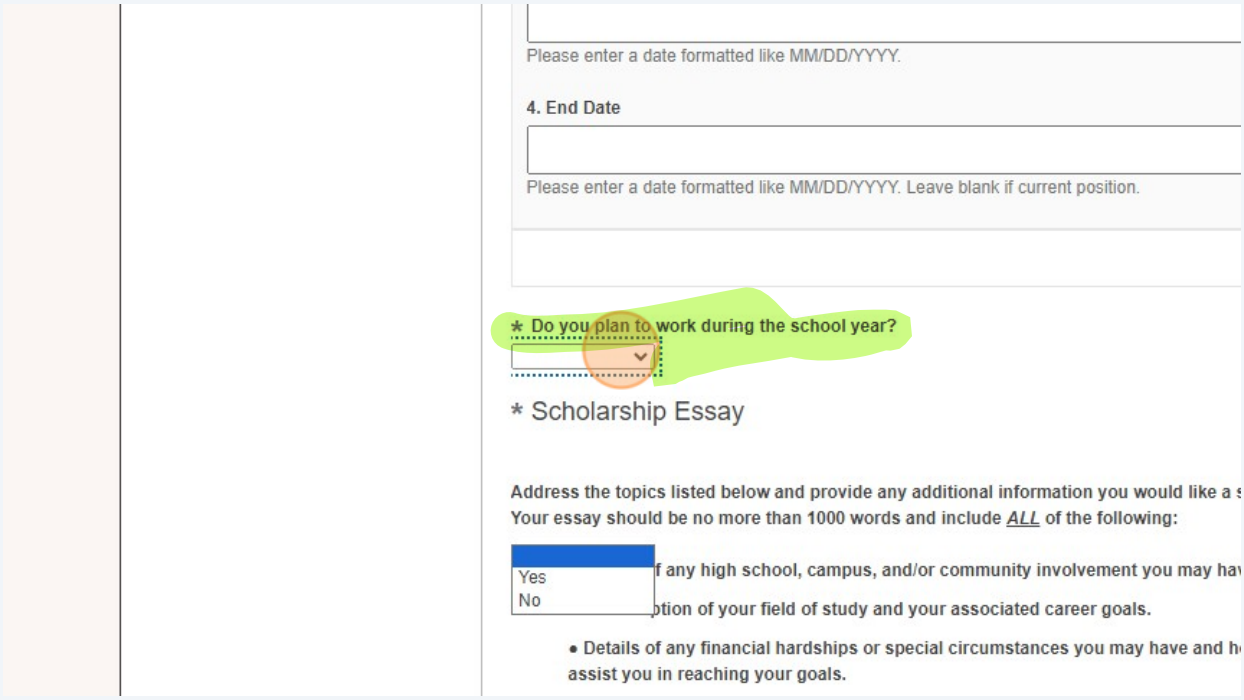
13 SKIP: Extracurricular Activity Experience

14 SKIP: Affiliations

15 SKIP: Honors and Awards

16 SKIP: Work Experience

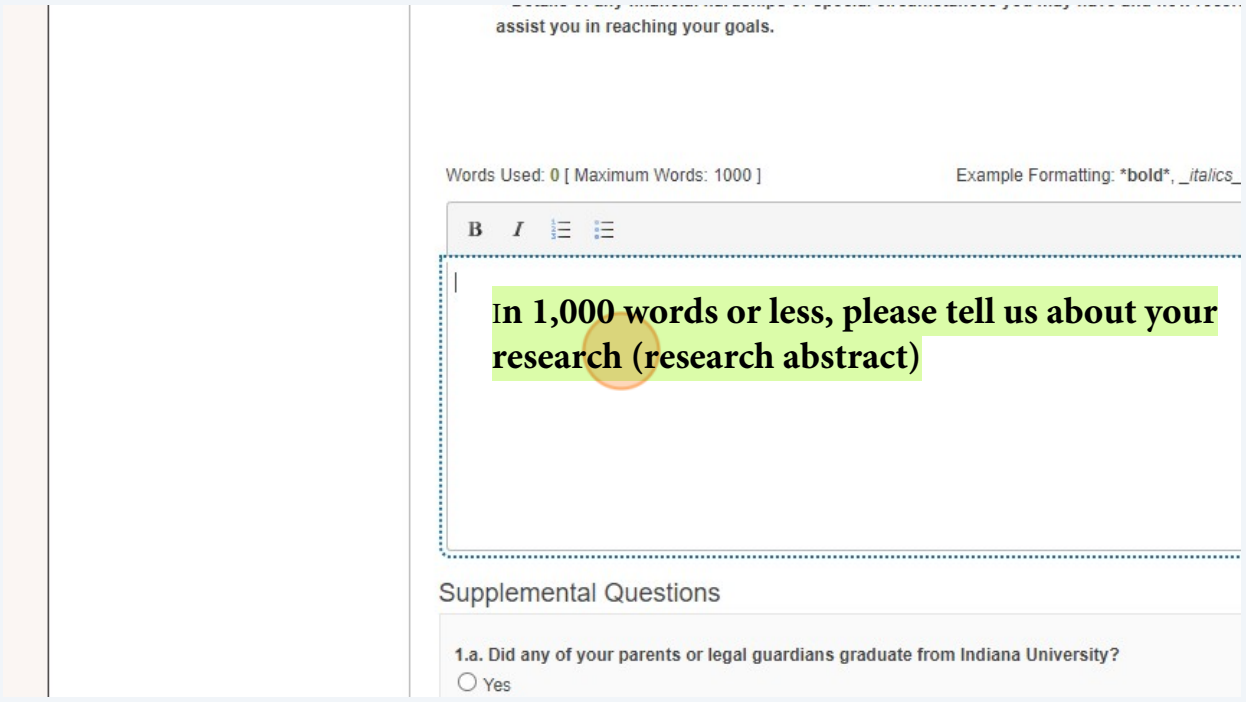
17 Question 5: Do you plan to work during the school year?



NOTE: Student academic appointments (SAAs) such as GAs, RAs, and AIs are considered employment. If you are a student academic appointee, indicate "Yes".

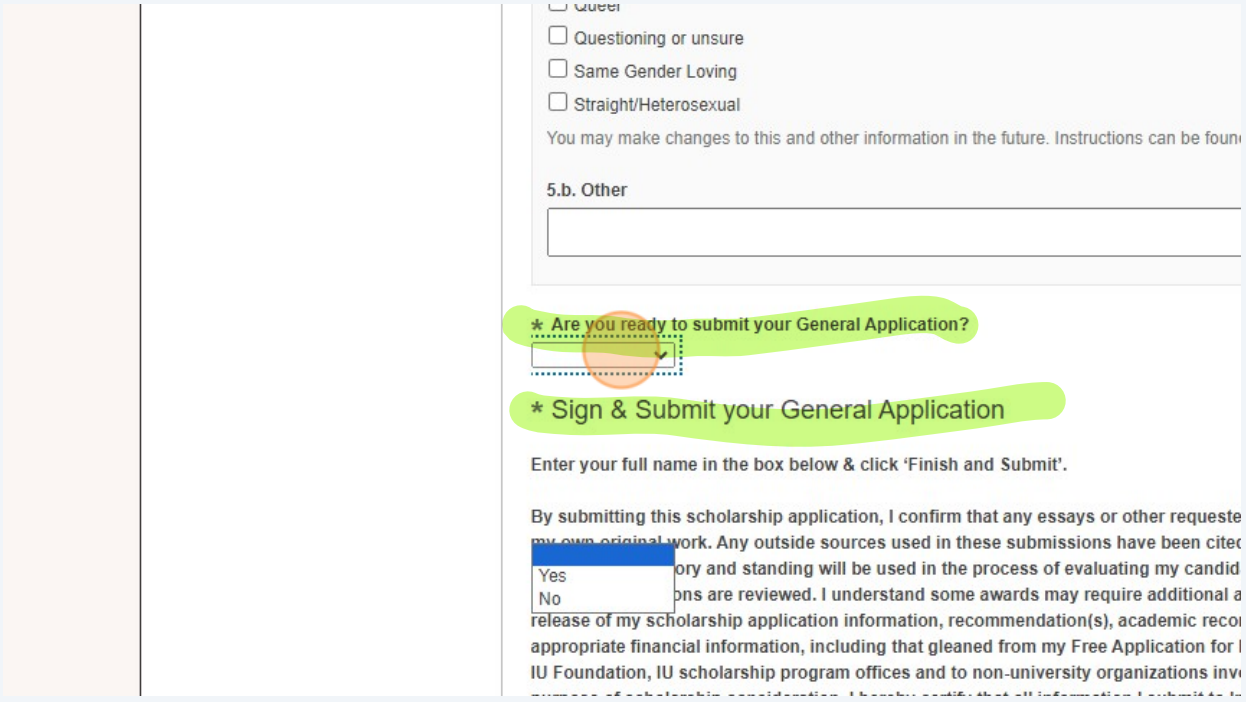
If you have or plan to have any other employment (on OR off campus), indicate "Yes."

18 *Question 6: Scholarship Essay



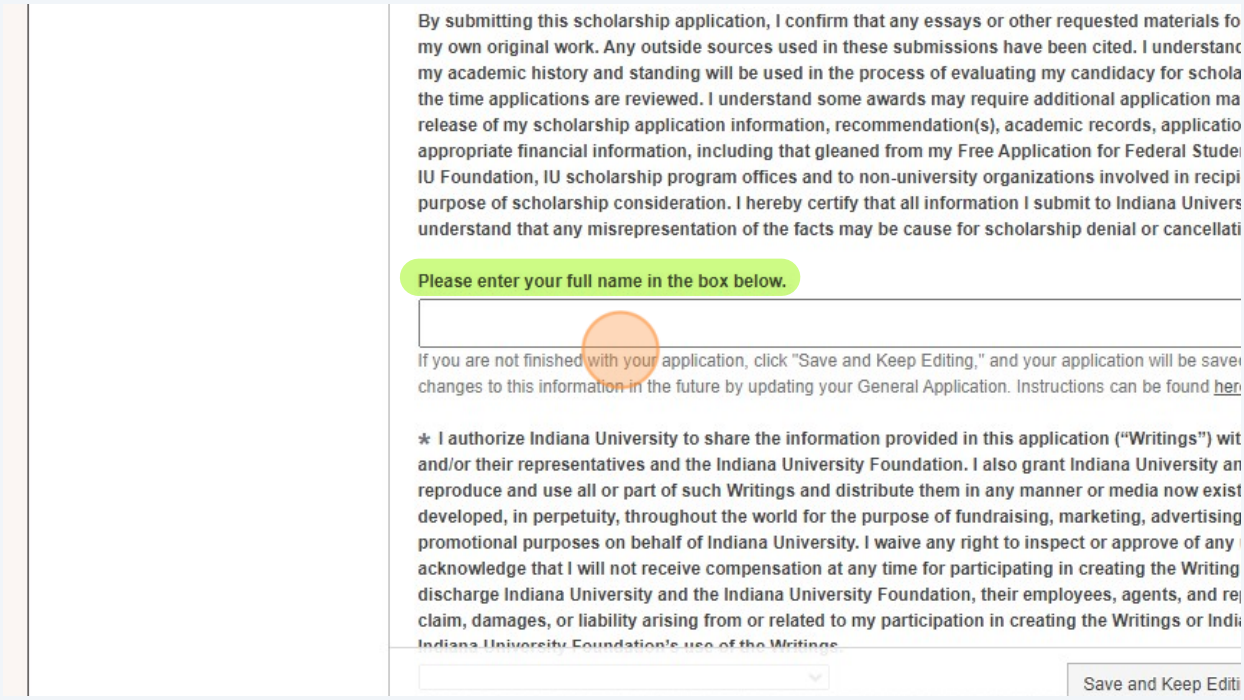
19 SKIP: Supplemental Questions

20 Question 7: Are you Ready to Submit your General Application?

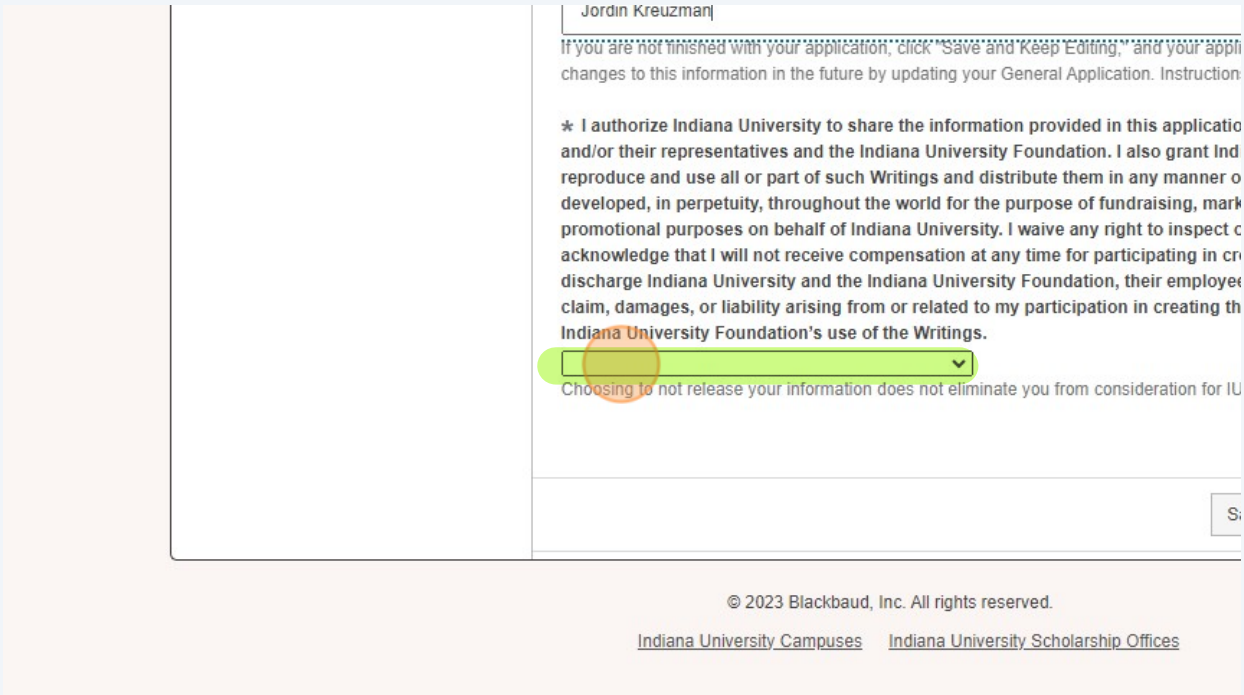


Note: indicate "Yes".

21 Enter your name.

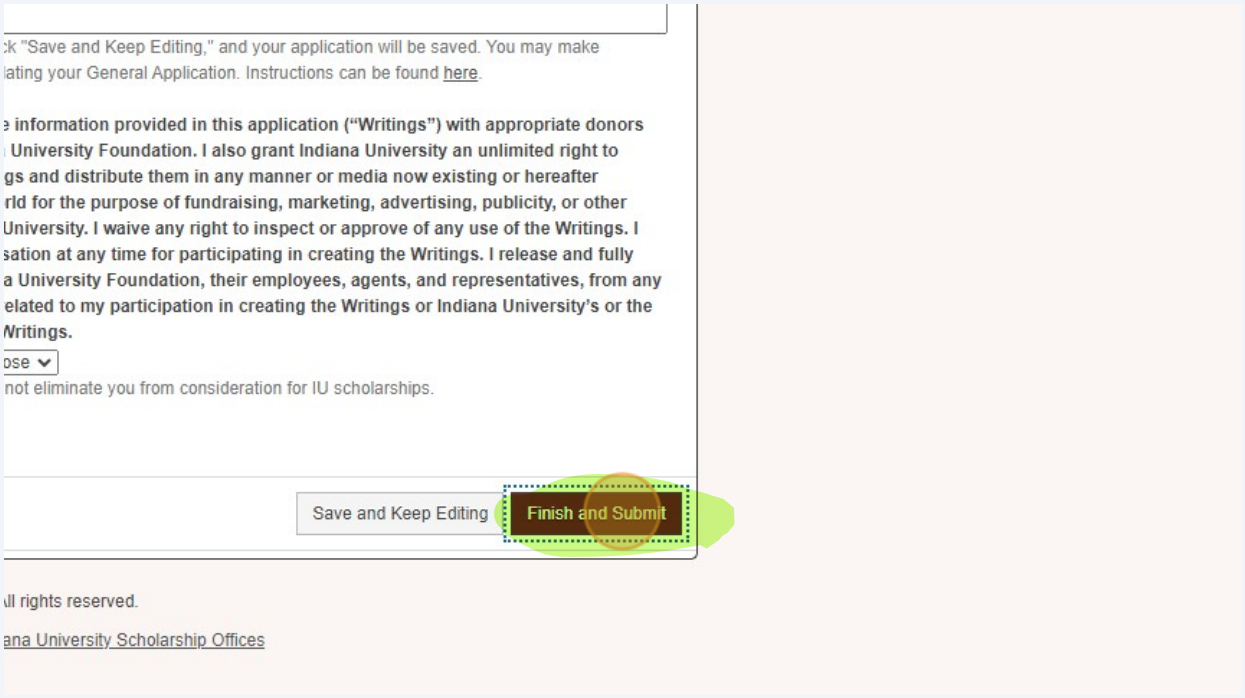


22 Select your preference regarding the release of your application to donors and/or representatives of the IU Foundation.



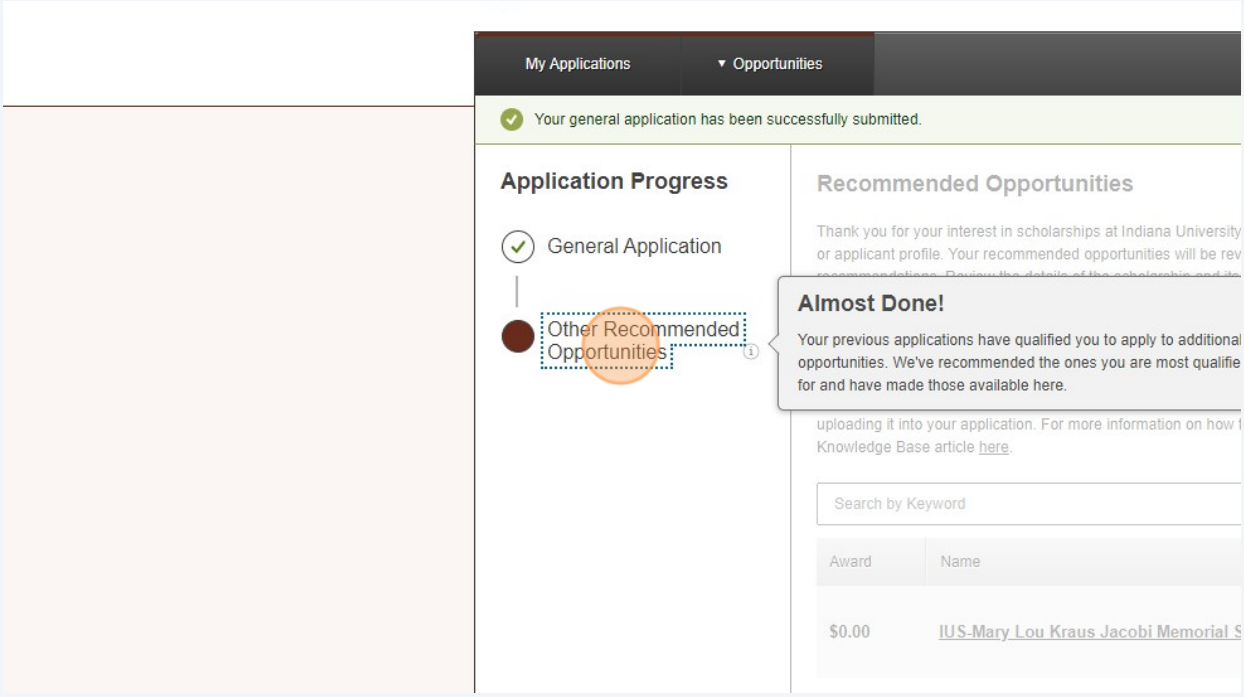
Note: Choosing to not release your information does not eliminate you from consideration for IU scholarships.

23 Select "Finish and Submit" to submit your General Application.

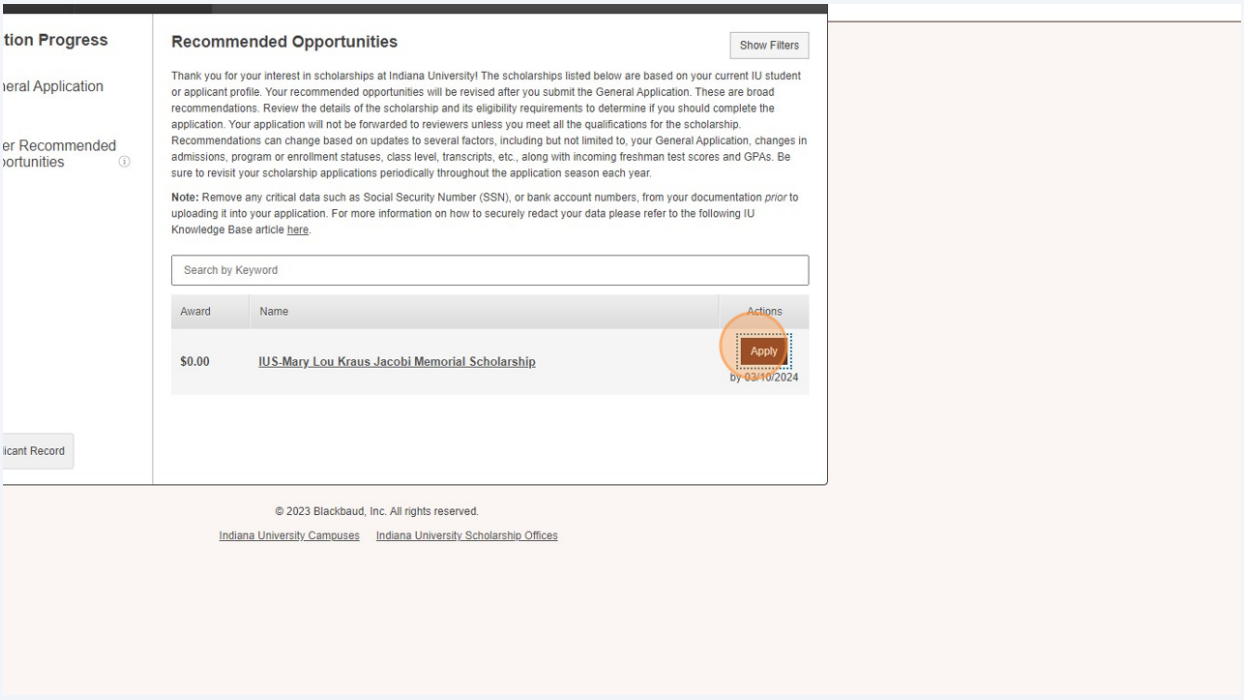


Once you have submitted your general application you have been auto-matched to PBS opportunities that you are eligible. You should also see other opportunities, outside of PBS, that you are eligible to apply to.

25 To see, search, and apply for eligible opportunities that require additional information, select "Other Recommended Opportunities"



26 Identify opportunities for which you'd like to apply from this list and select "Apply" to complete additional application questions for those opportunities.



Note: if you need to change information you've provided on an application (including the General Application), see the **Guide to Update a Submitted Application**.
